

# MINO

Mino is a suspended luminaire for accent lighting applications. Its stylish and elegant geometry and its solid body of machined aluminium define a piece of a highly decorative character and perceived high quality. Its light beam, strictly defined by a micro-reflector, optimises the light beam of the LED, in order to obtain a relatively elevated illuminance at the working plane, thanks to a remarkable utilization of the lumen gross flow.

MINO		01.007A12000
Power		3W
Beam angle		16°/24°
Color temperature		2700K/3000K/3500K/4000K
Light efficiency		60lm/W
Color rendering index		≥90
Operating temperature		-25°C - 50°C
Rated life hours		35,000-50,000h LM80
LED chip		SMD
